**VICTIMS**

**A Dissident LP**

**Out Now!**

MEMBER 40+13, 04/2011

Victims are back and with "A Dissident" they are marching on their self-made path of driving but ferocious HC/Punk charged with anger, melodies and darkness. Thirteen tracks in thirty minutes without holding anything back or slowing down. This is skitbra svensk mayhem! The release is a cooperation with Deathwish and Tankcrimes.
